

# HAPPY GNOME HR (overview)

HappyGnomeHR.com | 720-248-8147

Offering **OUTSOURCED & CUSTOMIZED** Human Resource programs designed to structure & streamline your company.

“Happy Gnome HR inspires the world of cannabis & transformative businesses with our **innovative** technologies, products & comprehensive human capital management services. We **enrich** people's lives & contribute to the social & moral prosperity of the companies & the communities we serve.”

## why HAPPY GNOME?

We **KNOW** the cannabis industry inside and out, and have been growing along with it since 2012.

We **UNDERSTAND** how to support both employees and employers. We know **STARTUPS** and how to empower them to succeed with the right resources.

We listen, we care, and we have a **RESPONSIBILITY** in the way the cannabis industry grows and thrives.

Our vast network in cannabis and adjacent industries is **BOUNDLESS**, from coast to coast, and across continents. We make strategic introductions and facilitate growth and scalability.

Because your business is unique, specialized, and diverse, everything we offer is **CUSTOMIZED**.

We're **DIVERSE**. We bring a multitude of different backgrounds and perspectives to each situation your business encounters.

Our clients become our **PARTNERS** and our **FAMILIES**. This allows us to be responsive, attentive, and timely in delivering custom solutions.

We appreciate and understand the different phases of business **GROWTH**. Whether you're starting out or considering selling or scaling, we're here to help.

## Our Services:

### **OUTSOURCED & CUSTOMIZED HR:**

Offering fractional, outsourced, and customized human resource programs. We can be your consulting partner for all stages of HR.

### **RECRUITING & PLACEMENT:**

HGHR is well-versed in the complex nuances of finding outstanding talent to help organizations build exceptional teams.

### **PAYROLL & HRIS:**

Our all-in-one payroll and HR management software will handle your employees' life cycle and get them paid correctly and on-time.

### **TRAINING & COACHING:**

Created by leading-industry experts, we have designed courses, programs and one-on-one coaching to help develop your team members.

### **OUTPLACEMENT & TRANSITION:**

Layoffs and reduction in force (RIF) events are stressful, but outplacement can help by offering career development and transition services to impacted employees.

### **MERGERS & ACQUISITIONS:**

HGHR provides experienced M&A consultancy that engages you throughout all stages of the life cycle to increase valuation and prepare you for a seamless exit.
