Regulatory Weeds

Without proper HR support, staying compliant may expose your business to legal troubles and financial penalties.

Talent Drought

Neglecting HR hiring practices may lead to a revolving door of employees, resulting in costly recruitment, labor and training costs.

Turnover Troubles = Stunted Growth

This hinders your ability to stay competitive and seize new opportunities, not to mention it negatively impacts your bottom line.

Our Services

Whether you are a new Cannabis business or preparing for rapid growth, Happy Gnome HR is here to show you the path of what's needed to help your business grow.

OUTSOURCED & FRACTIONAL HR

Imagine hiring a skilled gardener to tend to your garden while you focus on running your business. That's what we offer – the ability to outsource all or part of your HR needs.

PAYROLL & HRIS MANAGEMENT

From processing payroll to maintaining employee records and ensuring compliance, we've got you covered.

STAFFING & TALENT RECRUITMENT

Think of us as your trusted gardeners who help you find and plant the perfect seeds for your team. We excel at identifying, attracting and screening the best candidates for your open positions.

AUDITING & DISCOVERY

Just like preparing the soil for a new garden, we help you assess the current health of your HR situation and unearth areas that need improvement. By investing in our services, you'll be aware of any struggles your HR department faces.

TRAINING & COACHING

Just as trellising your plants provides support for their growth, we offer up-and-coming through mid-level leadership / management development, retail compliance, HR courses and more.
